MESSAGE FROM LISA

The Foolish Simplicity of God's Grace

Beloved Friends, We are now in the church season we call "Ordinary Time," the long "green" season that extends from now to the end of November. This is the

season when we focus our hearts and minds on the fullness of Jesus' ministry, rather than periods of focused contemplation on the mysteries of his Incarnation [...]

Sunday Worship Schedule Discussion Part II

June 24th, 11:15am- My Brother's Place

We will continue the conversation from our first meeting on April 29th about the Sunday Worship schedule changes that began during Lent. On June 24th Lisa will be focusing on worship styles and different components of the liturgy. All are welcome, all feedback is desired. Please plan to join us. Part III of

the discussion will occur on Sunday, July 24th.

Homeless Jesus Sculpture Update

We've started preparing for the installation of the *Homeless Jesus* sculpture. Timothy Schmalz, the Ontario artist who created this beautiful and powerful work of art, carefully reviewed Trinity's property and recommended that the sculpture be installed adjacent to (just east of) the main sanctuary entrance door on Adams Street. The vestry voted at its May meeting to install *Homeless Jesus* at this location.

We've also received the specifications needed for securely installing the 7-foot bronze sculpture, which weighs nearly 1,000 lbs. The sculptor permits the work to be installed at only one site in any city, and he likes downtown locations with high visibility. As work progresses we will update the congregation of the installation date which we anticipate to be in early Fall.

The original sculpture was installed in Toronto in early 2013. Since then it's been installed in a number of cities around the world, including Saints Peter & Paul Catholic Church in downtown Detroit and Calvary Episcopal Church in Cincinnati.

Building Futures Task Force Report Discussions

Sunday July 1st & July 8th, 11:15am, My Brother's Place

In early 2017 The Building Future's Task Force (BFTF) was formed by the vestry to "*assimilate parishioners' perspectives and the expressed vision of the parish, input from our nearby neighbors, input from our ministry partners, obligations on Trinity as a matter of agreement or law, and technical assessments of our structure.*" The BFTF did not take the place of, or have the responsibilities of Trinity's Building and Grounds Committee. The BFTF was charged by the vestry to help Trinity develop a plan for how its building can best serve the mission of the parish in the future.

To accomplish this, the BFTF was responsible for providing a "*written recommendation for a planned reinvestment in Trinity's facilities to be made over the next 3-4 years.*"

We will be meeting July 1st & 8th after worship to discuss the report and recommendations. More information to follow, including link to full report. Please plan to join us!

Members of the BFTF were: Hugh Grefe (BFTF Chair), Tim Reeder (Building and Grounds Committee Chair), Chuck Abood, Mike Lowrey, Dennis Degnan, Mary Beroske, Gary Franklin, Su Elliot, Bob Meeker, Greg Shumaker (ex officio), Julie Beitelschees (Interim Rector)

Reclaiming Jesus

From the Episcopal Church:

When politics undermines our theology, we must examine that politics. The church's role is to change the world through the life and love of Jesus Christ. The government's role is to serve the common good by protecting justice and peace, rewarding good behavior while restraining bad behavior

(Romans 13). When that role is undermined by political leadership, faith leaders must stand up and speak out. Rev. Dr. Martin Luther King Jr. said, "The church must be reminded that it is not the master or the servant of the state, but rather the conscience of the state."

A Confession of Faith in a Time of Crisis. We as Episcopalians join our Presiding Bishop Michael Curry in beginning this journey of Reclaiming Jesus. Look for more information this fall as Trinity explores this path in formation, in liturgy, in community and in the world. See video below or check out their website: www.reclaimingjesus.org

Lobby/Plaza/"Fishbowl" Construction

Trinity has awarded the construction project to Pullman Services(Trenton, MI). Work is beginning this week with completion estimated for early Fall. Stay tuned for more updates!

Parking Garage Construction

The Eyde Co. which owns Four Seagate is doing work in the parking garage which is expected to last through October. (This is unrelated to our own upcoming repairs to the entrances and office area.)

This means that when you arrive at Trinity you may find a sign indicating that garage is full and no parking is available. Pull up to the ticket machine as usual and press the button for a ticket. If nothing happens, press the button labeled "Assistance". A Four Seagate security guard will answer. Tell them that you're there to attend a Trinity worship service, and they will trigger the ticket machine to issue a ticket and lift the gate.

You may also be blocked from parking on the normal entry levels and be forced to park on the lower levels of the garage. In that case, you can walk up the garage ramps from your car to the usual Trinity entrance near the choir room. You can also use the stairwell or elevator on the Summit St. side of the garage. Take the stairs or elevator up to what's labeled the 4th floor (which is street level), and walk across the ramp to the Trinity entrance.

Conditions seem to change from day to day, so please stay flexible. Some parking is also available on the street; metered parking is free on the weekends.

BUILDING PARTNERS

ACT Takes Top Honors

Trinity building partner Actor's Collaborative Toledo recently participated in the Ohio Community Theatre Association's Northwest Festival. Their production of "A Life " was invited to advance to the State level competition. Trinity's own Jeff Albright won Outstanding in Directing and John DuVall won Outstanding in Acting. We wish them continued success!

Food For Thought Annual Report

Because of you... 2017 was a remarkable year.

- 5,078 families got groceries and produce they needed to feed themselves at mobile food pantry sites throughout Toledo.
- 15,600 PB&J lunches were delivered with a smile to individuals throughout downtown Toledo.
- 1,264 people used their hands, heads, and hearts to give back to their community through service projects and volunteering.

Food For Thought celebrated 10 years of nourishing the Toledo community. So much more happened because of you.

[We are delighted to present our 2017 Annual Report to you.](#) See what you helped accomplish this past year and imagine what we're poised to do for the rest of 2018, together.
