Welcome to the 2021 Annual Pledge Drive!

Welcome to the 2021 Annual Pledge Drive – a time of intentional reflection and response to what it means to be a community of faith supporting the ministry we share. Each year we boldly talk about money as one of the tools we have been gifted to help radically transform who we are as disciples. Each year we focus on this invitation to make an annual pledge as one statement of who we strive to be in the year ahead living from a place of generosity. Each of us is an invaluable part of this process – so welcome!

All-Parish COVID Response & Worship Update

After the All-Parish COVID conversation on

Tuesday evening, and some further discernment, we believe we have a creative and faithful path forward offering two things. First, we want to respond cautiously and responsibly to the continued risks of transmitting COVID by mitigating the risks we can in some intentional ways. We absolutely understand this will not be enough for everybody and trust and support each member making decisions best for them. Second, we are all of one mind we miss and need each other and being together, albeit in a different way, will be a much-needed balm for our souls. Please click [HERE](#) to read our plan going forward for the coming weeks.
