## 2022 Pledge Drive

Welcome to the 2022 Annual Pledge Drive – a time of intentional reflection and response to what it means to be a community of faith

Regardless of the level of giving, we believe making this promise for the year ahead is a sign of hope. Each year we focus on this invitation encouraging all of us to make a pledge because it both changes who we are as individuals growing in generosity and as a community able to be an expression of God's love in the world.
